

WORLD DAY AGAINST TRAFFICKING IN PERSONS

JULY ACTION KIT

July 30th is World Day Against Trafficking in Persons. This month, take time to learn about what human trafficking looks like abroad, what products are made by forced labor, child labor, and human trafficking. Review stories and explore resources that will help you bring awareness to your friends, family, and community. Choose at least one (or more!) task from each section. Let's learn, take action, and mobilize others this month - together!

- Review the 2021 U.S. Trafficking In Persons (TIP) report to learn how other countries are responding to human trafficking.
